Seeking Experienced Taildragger Pilot For EAA Airventure Oshkosh 2017

July 20-August 2

Due to unforeseen circumstances with two of our own pilots, we are now seeking an experienced taildragger pilot to fly the RADICAL aircraft down from Chilliwack to Oshkosh **and back** for the annual EAA Airventure Oshkosh air show.

The aircraft is our high-performance Murphy Radical. One of our most innovative designs to come out the factory. The Murphy Radical is a spacious two seat STOL aircraft, equipped with a 205hp Titan 370 engine.

The individual selected must be comfortable flying cross country solo.

Accommodation and food will be covered!

Please contact Tyler Penner at tpenner@murphyair.com or (604) 792-5855 ext. 101 for inquiries.
