

Toward the Flightline

MURPHY REBEL

US \$

Standard and Light Sport

THE COMPLETE KIT - FIREWALL BACK	\$30,566
---	-----------------

The kit contains all the components you will need to build your Light Sport REBEL from the firewall back and from the ground up. Standard features include dual wing tanks (28gal for Sport and 44gal for Standard), dual controls, formed windshield and electric trim. The kit does not include the engine, instruments, wiring, upholstery or chemicals.

SUB-KIT #1 - CONTROL SURFACES & TAIL SECTION	\$8,128
---	----------------

An excellent starter sub-kit consisting of the necessary components to complete the vertical and horizontal stabilizers, elevator, rudder and flaperons. All skins, spars and ribs are pre-formed with many factory punched pilot holes. All necessary hardware required to complete this section.

SUB-KIT #2 - WINGS	\$11,148
---------------------------	-----------------

This sub-kit contains all materials and parts required to complete the wings, including pre-punched skins, pre-formed aluminum main spars, nose ribs, root ribs, rear spars and doublers, full length stringers, torque tubes, fuel tanks and all necessary hardware.

SUB-KIT#3 - FUSELAGE	\$11,780
-----------------------------	-----------------

This sub-kit contains all materials and parts required to complete the fuselage. Included are pre-formed bulkhead sections, pre-punched skins, landing gear, disc brakes, wheels, tailwheel assembly, internal controls, stainless steel control cable, control horns, wing struts and fiberglass wing tips. Includes all necessary hardware.

QUICK BUILD (add to the price of the Complete Kit)	\$31,000
---	-----------------

This is one of the options of Buy to Fly in One Year, where Murphy Aircraft Mfg is committed to see you fly your aircraft within one year from receiving the kit. By choosing the quick build option you will cut the build time in half. Regardless, if you choose to spend more time on building parts or finishing your dream aircraft, the Murphy Quick Build option will ensure your Rebel will be professional looking and built within a year.

ASSISTED BUILD (add to the price of the Complete Kit and the Quick Build)	TBD
--	------------

We will tailor a build program to fit your needs and budget.

Price list effective August 01,2022. Prices are subject to change without notice.
